PREFACE.

In presenting to our patrons and the general public this sixtteenth edition of the MELROSE DIRECTORY, we would express the hope that it may meet every reasonable expectation. It is scarcely necessary to state that the difficulties and expense attending the compilation of such a work are very great, and not to be appreciated by any one unfamiliar with the business, like every other is peculiar to itself.

Since 1862 we have made a specialty of compiling city directories and it has been our sincere purpose and ernest endeavor to do our work faithfully, and in return, may we not ask the generous support of an undivided community ? We call special attention to advertisers who have favored us in this edition and bespeak for them a liberal patronage,

Respectfully,
